## The Game

*Welcome to the  
online home of the  
most captivating  
and mindless party  
pastime around.*

The Mustache Game is a drinking game and celebration of our inherent love for diversion, exhilaration and embellishment. One that brings people together like never before.

## Rules

### *Number of Players*

- 4 to 6 players is ideal
- Should you choose to proceed with a larger group, select a viewing area and screen that will accommodate

### *What You Need To Play*

- Film
- Method for viewing film
- Mustaches (ideally one per person)
- Enough American-style lager (or preferred drinking beer) for every player

### *Getting Started*

- In an orderly fashion, agree upon a film of choice
- Select mustaches (one per player)
- Determine the order of mustache placement. Popular methods include: according to age, height, intelligence or fiscal standing; and, Rock-paper-scissors
- Place (by dragging or taping) each mustache on an unclaimed area of the screen

### *The Play*

- While the basic rules are simple, they can be tailored, and invented, to better suit the group, film, mood, etc
- Once it is agreed that the screen is adequately covered, and all are seated, the film may begin
- When a player's mustache strikes, lining up perfectly, with a character's upper lip, they must take a sip of their drink
- During play, if original mustache placements prove to be disappointing, the group may agree to pause activity and adjust

### *Winning*

- To win is to cherish the thrill of steady strikes and sips; and to embrace the spirit of The Mustache Game adventure. Please do so safely and raucously

Uh oh! It's Arts and Crafts time! Go ahead and take advantage of our collection of classic mustache cutouts. Or, feel free to make your own from scratch. Ours are pretty great though.
